

Privacy Policy Phone Consent

Effective Date: January 1 2021

Thank you for choosing Jellian Services LLC ("we," "our," or "us"). We value your trust and are committed to protecting your privacy. This Privacy Policy outlines how we collect your phone numbers and obtain consent to send text messages while adhering to the principles of transparency, consent, clear explanations, secure storage, opt-out mechanisms, and compliance with applicable laws and regulations.

Transparency

We are transparent about our data collection practices. This Privacy Policy serves as a comprehensive guide to understanding how we handle your personal information, including your phone number.

Obtain Consent

Before we collect your phone number, we seek your explicit consent. You may provide your phone number voluntarily during interactions such as online sign-ups, purchases, or subscriptions. By doing so, you grant us permission to contact you via text messages.

Double Opt-In (Optional)

For an added layer of consent, we offer a double opt-in process. After you provide your phone number, we send a confirmation text message explaining the subscription details. To confirm your consent, reply with a specific keyword. This process ensures you fully understand and confirm your subscription.

Clearly Explain

We believe in transparency and clarity. When you provide your phone number, we clearly explain the purposes for which we will use it. This includes sending you text messages related to our services, updates, promotions, and important information. We also specify the expected frequency of messages.

Secure Storage

The security of your personal information, including your phone number, is paramount to us. We employ robust data security measures to protect your data from unauthorized access, disclosure, alteration, or destruction. We are committed to complying with data protection regulations applicable to our business.

Opt-Out Mechanism

We respect your choices. Every text message we send includes instructions on how to opt out of further communications. You can unsubscribe at any time by following these instructions. We promptly honor opt-out requests, ensuring you have full control over your communication preferences.

Compliance

We are diligent in our compliance with applicable laws and regulations. This includes but is not limited to the Telephone Consumer Protection Act (TCPA) in the United States. We adhere to rules regarding messaging hours, frequency, and consent requirements, as stipulated by these laws.

Children's Privacy

Our services are not directed at individuals under the age of 13. We do not knowingly collect personal information from children. If you believe we have unintentionally collected such information, please contact us to delete it.
